Subject: “Call for Proposals” for Habitat and Hunting Heritage Projects.

Dear Chapter Presidents,

This letter is to inform you and your local chapters of a recent change in KY State Superfund Procedure regarding “non” five star allocations and requests. At the KY State Chapter Board Meeting held on May 16th 2010, the board approved that a “Call for Proposals” Guidelines and “Project Proposal Form” be put into place effective July 1st 2010.

The Kentucky State Chapter would like to see dollars raised be awarded to quality habitat conservation and hunting heritage projects that ensure mission success and accountability for dollars raised. Thus, the committee has decided to ask for “Proposals” and will be ranking submitted projects according to guidelines that assure the state chapter and all NWTF members the best possible projects are being funded and monies are being spent wisely across the state.

Please take the time to familiarize yourself with the complete “Call for Proposals” Guidelines, and “Project Proposal Form” which can be found and printed off from the KY State NWTF website at www.kentuckynwtf.com. Should you be developing a local habitat project with your NWTF chapter and local partners and have further questions regarding the proposal process, feel free to contact your NWTF Regional Biologist, Jadd Campbell via email at jcampbell@nwtf.net or by phone (270) 275-9073.

Thank you for all that you do to ensure the success and mission of the National Wild Turkey Federation.

Sincerely,

KY State Chapter Superfund Committee
And
Regional Biologist, Jadd Campbell
